Dear Sir/Madam,

First of all, I wish to express my gratitude for your approval of publication.

I am contacting you concerning the following article to be published by your publishing house for which I am the corresponding author:

Title: _____

Corresponding Author: _____

Journal: _____

The research underlying this article has been co-funded by [enter council/foundation] by which all funded research is required to be published in open access. Under this policy, articles are to be deposited in an electronic repository upon publication and are to be made open access, either immediately if the article is published open access by the publisher, or after an embargo period of 6 or 12 months depending on the area of research. The wider goal of this policy is to improve access to the results of publicly funded research.

In order to comply with the policy of [enter council/foundation], I wish to opt for an addendum to the publication agreement. I am attaching this document for your signature.

I look forward to your reply, and thank you for your support and collaboration on this matter.

Sincerely yours,
